

Transportation

Gallup is accessible by truck, rail and bus transportation. Its location makes it accessible to major market centers such as Albuquerque (138 miles), Phoenix (295 miles), Las Vegas (444 miles), Denver (579 miles) and Los Angeles (669 miles). Interstate 40 goes directly from Gallup to Albuquerque. U.S. Highway 666 and State Highway 602 connect Gallup to all north and south destinations, respectively.

Trucking

Federal Express
RAC Transport
United Parcel Service
Yellow Freight Line

New Mexico is served both by major freight line carriers and by non-scheduled carriers – nearly 2,300 intrastate motor carriers and 1,300 interstate motor carriers currently serve the state. A complete list of motor carriers can be obtained from the New Mexico Public Regulatory Commission (505/827-4500) for a fee. These carriers can handle local, regional and national shipments, and can provide service for full truckloads or less-than-truckloads (LTL).

Air / Airport

Gallup Flying Service

Gallup Municipal Airport
Gallup, NM 87301
(505) 863-6606

Mesa Airlines (coming soon)

The airport is owned and operated by the City of Gallup, and will soon be certified under FAR part 139. The airport is located three miles west of downtown Gallup. America West Express and Mesa Airlines have provided airline services at the airport. Gallup is currently negotiating with several firms to provide service once again, and these connecting flights allow a Gallup customer to reach any destination in the world.

Federal Express provides daily overnight express service. Other air freight transportation is available. Trained weather observers provide weather information 24 hours a day. The paved 7300' runway has medium intensity lighting and REILs, and is able to accommodate corporate jets, turbo prop and commuter aircraft.

There are approximately 50 aircraft based at the Gallup Municipal Airport, most of which are hangared. Gallup Flying Service provides air taxi, air ambulance, flight training and sight seeing tours. There is a car rental agency located at the airport. The airport covers 359 acres and land is available for commercial development. The airport management office can be reached at telephone 722-4896.
