

Western New Mexico University Gallup Graduate Studies Center

Western New Mexico University's vision is to be a leader in higher education known throughout the southwest as the university of choice for our students, faculty, and staff because of the following: We provide a relevant education that is affordable, accessible and of the highest quality. We encourage innovation and scholarly work. We are committed to enhancing the quality of life for all WNMU students, faculty, and staff. We promote responsive and responsible community and public service, and we are guardians of the public's trust and champions of diversity.
