Map edited and published by Melvic Degraets  
McKinley County GIS Center, March 16, 2008  
This map is a diagrammatic layout of streets,  
roads, towns and political boundaries.  
The map information was extracted from the  
US Census Bureau TIGER Prototype and  
Pre-census files. The TIGER files were updated  
with information provided by various government  
agencies and Global Positioning Systems (GPS).  
The accuracy of this map is not implied nor guaranteed.
